PUTTING THE SUCCESS OF OTHERS ABOVE OUR OWN

Part I: Joseph	December 2
Part II: Mary	December 9
Part III: God	December 16
Part IV: Prophets	December 23

In putting the success of others above our own,
we accomplish 3 objectives:

1. To bring honor to God by acting the way He does.
2. To create an opportunity for others to be brought closer to God through our actions.
3. That we ourselves are shaped into the image of God as we act in a manner that is in contrast to our fleshly inclinations.

Purpose:

That you will identify **one person**
and a **specific opportunity** for **serving** them
that will accomplish these objectives
